HRTech

Connect Employees to Employers

Facing Problems ?

- Taking Attendances accurately
- Calculate Wages as per attending days/hours
- Create Compliance Sheets
- Track advance & Loan
- Manipulation of actual salary amount

We have a solution.

We provide single solution for your all salary-related issues including piece rate salary.

We design and developed a software called HRTech that connects all your needs including SEDEX and other government compliance like PF, ESIC, and PT ready salary including OT & actual salary.

HRTECH

Realtime attendance tracking

01. We suggest a powerful attendance machine including face+fingure which is directly connected to our software.

02. Don't required any person (HR) to enter monthly attendance or manipulate attendance

HRTECH

Software Advantages
